

ROLAND DZOAGBE

Senior IT Infrastructure & Cyber Operations Manager

+33 7 82 88 46 46 • rolanddzoagbe@gmail.com • linkedin.com/in/r-dz • Bondy, France

PROFESSIONAL SUMMARY

IT leader who went from frontline support to managing 600+ users across international mission-critical operations in under 7 years. 10+ years of professional experience including 7+ years in IT infrastructure, cybersecurity, and operations management. Expert in Microsoft 365, Azure, Entra ID (Azure AD), Intune, Windows Server, ITIL, ServiceNow, and cybersecurity (Defender, MFA, firewalls). Proven project & change management, BCP/DR, GDPR compliance, and vendor/budget piloting. Strong experience with PowerShell/Bash automation. Bilingual English/French.

PROFESSIONAL EXPERIENCE

Infrastructure & Support Manager Apr 2025 – Dec 2025

Host Broadcast Services (HBS) – International

Multi-site • 8 engineers (N1–N3) • 600+ users • 24/7 mission-critical broadcast

- Led on-site IT infrastructure operations ensuring business continuity, security compliance, and alignment with executive stakeholders across international broadcast sites.
- Managed multi-site Tier 1–Tier 3 support teams following ITIL best practices, reducing MTTR by 80% and improving SLA compliance.
- Implemented Microsoft Defender for Endpoint, MFA, and firewall policies across multi-site environments. Automated recurring tasks via **PowerShell** scripting.
- Coordinated security incidents and escalations ensuring rapid containment. Maintained BCP and disaster recovery (DR) procedures.
- Led infrastructure project management: network modernisation, **Windows Server upgrades**, Autopilot/Intune deployments — **30% faster provisioning** through structured change management.
- Designed performance dashboards and executive reporting to support budget optimisation and data-driven decision-making.
- Partnered with site leadership and executive stakeholders to align IT operations with business objectives.

IT Manager Mar 2024 – Mar 2025

The iLUKA Collective (Olympic & Paralympic Games)

Multi-site events • 250+ users • Multiple vendors • Mission-critical

- Ensured security compliance, **GDPR-aligned** access governance, and audit traceability across mission-critical event operations for **250+ users**.
- Coordinated vendors and service providers to ensure service continuity and uninterrupted event delivery.
- Provided support for ticketing platforms (Eventim): configuration, user training, access control, and reporting workflows.
- Oversaw IT budget planning, procurement, and change management processes ensuring cost control and alignment with organisational growth.

Corporate IT Manager May 2023 – Oct 2023

AKUR8 (InsurTech SaaS)

SaaS • International users • IAM-focused • High-growth

- Led IT operations in a rapidly scaling SaaS environment aligned with **GDPR** requirements. Administered IAM systems (Okta, Google Admin) for **50+ international users**.
- Oversaw IT budget, procurement, and vendor management.
- Led escalation management and coordinated software and network upgrades following ITIL change management processes.

IT Manager Jul 2022 – Mar 2023

Zenly (Snapchat Group)

International SaaS • 180+ users • End-to-end IT ops • Fast-paced scale-up

- Managed IT infrastructure and end-user support for **180+ international users** across Windows, macOS, and Linux platforms.
- Administered SaaS and access management (Okta, Google Admin), optimising IT resources and costs.
- Reduced SaaS licensing costs by **15%** through access audits. Improved documentation, processes, and disaster recovery readiness.

Technical Support Analyst Jun 2021 – Jul 2022

Dechert LLP (International Law Firm)

- Provided multi-country IT support (**Paris, Luxembourg, Brussels**) via ServiceNow in a
